Welcome to the Cotswold Chair Company

With an established and respected family tradition in the furniture trade, Mathew and Tina Sadiq continue the legacy concentrating their expertise on upholstered furniture. Founded in 1999, M. Sadiq Furniture Ltd is based in the South West of England where it manufactures a comprehensive range of products using only the finest components available.

We are therefore delighted to present Cotswold Chair Company proud manufacturers of handmade fireside chairs, matching Sofa's, L & R Recliner Chairs and general upholstery.

Available in a range of traditional and modern styles to suite all tastes, each piece being hand crafted to offer individual seating position for both comfort and style in a selection of high quality fabrics.

Suitable for both domestic and contract application we offer 3 frame styles, Showwood, Queen Anne, Fully Upholstered, 4 wood finishes, Teak, Natural, Mahogany, Oak and in the majority of our ranges offer 3 sizes of chairs and sofas, Petite, Standard and Grande.

Pocket spring seating comes as standard across our entire range of fixed cushion seats as does solid timber frames.

Proudly manufactured in the UK.

The Cotswold 5 Year L&R Recliner Guarantee

Supplying L & R Recliner chairs to both contract and domestic UK markets for over 20 years puts us at the forefront of design, comfort and reliability. Reliability that enables us to provide a full comprehensive 5-year guarantee across ALL electrical components.

- Mechanisms
- Motors
- Transformers
- Handsets
- Control Boxes
- Remaining electrical parts

Cover applies against manufacturing defects providing your furniture has been used correctly.

Our Furniture Styles

UPHOLSTERED

Our fully upholstered range of chairs, sofa's and recliners are professionally finished in the finest fabrics by our own time served craftsmen. Every piece complemented with easy run glides for both stability and ease of movement.

SHOWOOD

The showood style in addition to allowing for a slightly wider seat exposes a beautifully hand crafted frame providing natural elegance to each and every piece.

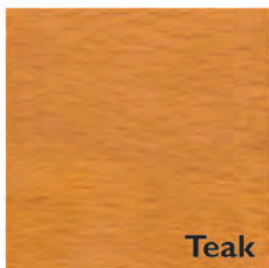

QUEEN ANNE

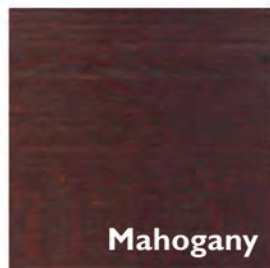

The delicately turned foot of the Queen Ann brings a timeless and elegant look with a distinct air of quality to grace any home.

Our Finishes

Designed with style and quality in mind nothing compares to the feel of real wood. This is why every Cotswold Chair product is constructed using beech hardwood timber frames that are mortise and tenon jointed; complimented in your choice of either Teak, Mahogany, Natural or Oak frame colours.

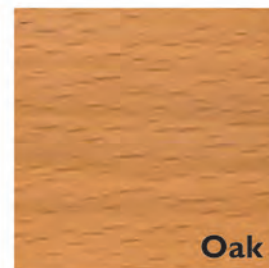

Teak

Mahogany

Oak

Size Options

Size really does matter, that is why we offer 3 size chairs, sofas and recliners in our most popular collections – please check each range for full details.

PETITE

STANDARD

GRANDE

Approximate variance of 50mm (2inches) in height, width & chair seat depth between chair dimensions.

The **Ava** Collection

Elegant proportions with deep fibre filled cushions add to the appeal of this versatile range. With it's all round support and generous range portfolio the Ava is a natural choice for the customer seeking all round comfort and style.

Available in PETITE, STANDARD & GRAND sizes
TEAK, MAHOGANY, NATURAL and OAK finishes
Full compliment of L+R recliners available

Our Components

One of the UK's leading suppliers of luxurious and durable textiles to the upholstery industry.

The worlds leading manufacture of pocket coil spring technology enabling improved comfort and longevity.

Unique pressure relief technology that delivers surplus comfort through improved body posture & alignment.

Trusted electronics provider offering quality and reliable first class motors for motion furniture.

One of Europe's leading suppliers of textiles offering a wide selection of quality & desirable fabrics.

Cotswold Chair Company products are manufactured to the highest possible quality and craftsmanship using the above UK providers.

Features & Benefits

Cotswold Chair Company has been manufacturing upholstered furniture in the UK since 1999.

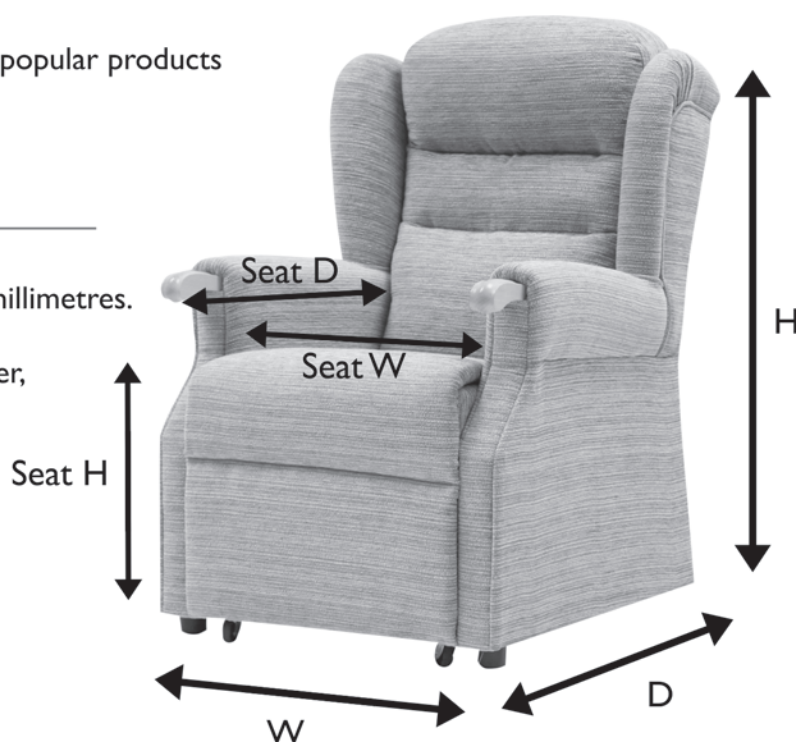

As one of the UK's leading manufacturers we believe we have upholstery within our range portfolio to suit every taste and budget.

- 4 x wood finishes available across our entire range – Oak, Teak, Natural, Mahogany
- 3 x styles available in our most popular ranges – Fully Upholstered, Queen Anne, Showood.
- 3 x Size chairs, sofas and L&R Recliners across our most popular ranges – Petite, Standard, Grande
- Manual & Electric L & R Recliner chairs to match most collections
- All products are manufactured in the UK using solid beech timber frames
- All Showood models are mortice & tenon jointed and underpinned for strength and durability
- All Queen Anne chairs / sofas are fitted with 4 x hand crafted turned timber legs
- All knuckled items are fitted with hand crafted & sculptured timber knuckles
- All upholstered chairs / sofas are produced by our own time served upholsters and fitted with easy run glides
- Pocket spring seating is standard across our entire range of fixed cushion seating
- 5 year guarantee on all L&R Recliner chair electrical components including mechanisms, motors, handsets, transformers, control box's & all other remaining electrical parts.
- In excess of 500 stockists / retailers throughout the UK
- Express delivery available on some of our most popular products

Our Dimensions

All dimensions are approximate and quoted in millimetres.

As each piece of furniture is handcrafted to order, slight variations may occur.

Our Care & Maintenance

Cotswold chair Company products have been designed and created to provide you with many years of comfort and pleasure.

All our products are proudly manufactured in the UK by time served craftsman using some of the industries finest components.

It is important that the following points are observed.

Where possible ensure even use of your furniture and try to avoid sitting in the same place all the time. To reduce the risk of creasing and / or uneven wear it is strongly recommended that you plump up all cushions and seat wraps after use to re-align the interiors, this will greatly help retain the appearance of your furniture. Do not sit on the arms or front edge of seat cushions.

We recommend that you vacuum clean your furniture regularly as dust particles can cause wear and colour fading. Remove minor stains using soupy water and a mildly damp cloth. For stubborn stains we recommend that you seek advice from a professional upholstery cleaner.

Avoid contact with sharp objects as these can damage or tear fabrics permanently.

Do not position your furniture in direct sunlight for prolonged periods as this will result in colour fading.

The soft lush nature of piled fabrics such as Chenille means that it is subject to seating / pile pressure and creasing to some degree. This is where shading can occur due to change of light reflection when the pile is naturally flattened during use. Pile pressure is not a fault but a characteristic of certain fabrics that will not detract from the wearing properties of the fabric. The effect of pile pressure can be minimised by regular brushing with a soft brush.

Exposed timber should be wiped regularly with a soft dry cloth. Remove minor stains using soupy water and a mildly damp cloth. For stubborn stains we recommend that you seek advice from a professional upholstery cleaner.

We do not recommend the use of spray furniture polish.

Antimacassar (head rest) and arm caps are available for much of our range to cover / protect area's most vulnerable to wear.

This brochure is for illustrative purposes only, the colours of material may vary from this printed visual.

It is not possible to always obtain exact colour match in our pattern books. Although every effort is made to control the colour, variations in shade can sometime occur between dye batches.

Our Guarantee

12 Month Guarantee

M. Sadiq Furniture Limited (the 'Company') guarantees its products against defects in materials and workmanship under normal use for a period of one year from the date of purchase by the original retail purchaser (the 'Guarantee Period'). If a defect arises and a valid claim is received within the Guarantee Period, at its option, the Company may either (1) repair the defect at no charge, using new or replacement parts; (2) replace the defective parts with a new part or a part that is either the same as, equivalent to, the original part; (3) replace the product with a new product which is either the same as, or functionally equivalent to, the original product; (4) refund the purchase price of the product. A replacement product or part assumes the time remaining on the Guarantee Period of the original product or 30 days from the date of replacement or repair, whichever provides longer coverage. When a product or part is exchanged, any replacement item becomes the property of the consumer and the replaced item becomes the company's property. When a refund is given, the product for which the refund is provided must be returned to the company and becomes the company's property.

Limited Extended 5 Year Guarantee (electrical components only)

The 5 year extended guarantee applies to all current recliner chairs. Under the Limited Extended Guarantee, the company guarantees the following against manufacturing defects under normal use for a period of five years; (1) recliner actions; (2) electric motors; (3) control handsets; (4) power supply units; (5) electric control units. The Limited Extended Guarantee covers the cost of parts and materials only and does not include labour costs. Services performed by any appointed repairer in replacing the parts or materials will be subject to additional charges for labour and transportation. The Limited Extended Guarantee does not affect the consumer's statutory consumer rights or the 12 Month Guarantee. The Limited Extended Guarantee runs concurrently with the 12 Month Guarantee.

Exclusions and Limitations

The 12 month Guarantee and Extended Guarantee (the 'Guarantees') apply provided that an original purchase order number and product serial number are provided. The Guarantee does not apply to the following; (1) damage caused by accident, abuse, misuse, flood, fire, earthquake or external cause; (2) damage caused by operating the product outside the permitted or normal use of the product; (3) damage caused to products that were not operated, maintained or serviced in accordance with the Owner's Manual; (4) to a product or part that has been modified or repaired otherwise than in accordance with the Owner's Manual or with the express written authority of the Company; (5) to normal wear or tear, normal maintenance, service or periodic adjustments necessitating by normal use. In addition to the above, the Company shall be under no liability in respect of any defect arising from wilful damage, negligence, or misuse.

The Guarantees only apply to the original purchaser and are non-transferable. Except in respect of death or personal injury caused by the company's negligence, the Company shall not be liable by reason of any representation (unless fraudulent), or any implied warranty, condition or other term, or any duty at common law or under the terms of the Guarantees, for any indirect, special or consequential loss or damage (whether for loss of profit or otherwise), costs, expenses or other claims for compensation whatsoever (whether caused by negligence of the Company or its employees or otherwise) which arise out of or in connection with the supply of the product(s) or their use or resale, and the entire liability of the company under or in connection with the products and the Guarantees shall not exceed the price paid for the products. Any descriptions, specifications, samples, models, bulletins or similar materials used in connection with the sale of products by the Company are only for information and should not be construed as warranties. The consumer's statutory rights are not affected by the Guarantees.
