Catherine 5000

Introducing **Catherine 5000 Pocket Sprung Bed** – the perfect balance of comfort, quality, and value, designed for those who desire a luxurious sleep experience at an exceptional price point.

The **Catherine 5000** features **5,000 individual pocket springs**, carefully engineered to provide responsive support and pressure relief. Each spring works independently to follow the contours of your body, offering personalized comfort for a restful night's sleep.

Key Features:

- **Natural Fillings with a Layer of Foam:** A carefully selected blend of natural materials, including cotton, wool, cashmere and silk, combined with a layer of high-quality foam, ensures a comfortable yet supportive sleep surface. The foam layer adds an extra level of cushioning for a soft, luxurious feel while maintaining excellent durability.
- **Turning Handles & Breather Vents:** For added convenience and longevity, the Catherine 5000 comes with practical turn handles, making it easy to turn and rotate the mattress for even wear. The integrated breather vents enhance airflow, keeping your mattress fresh and breathable, while also regulating temperature throughout the night.
- **Choice of Bases:** Personalize your bed with a selection of divan bases that offer added storage space or a refined look. Choose from various fabrics and styles to complement your home's aesthetic.
- **High-Quality Craftsmanship:** Like all our beds, the Catherine 5000 is handcrafted with care, ensuring it meets the highest standards of comfort and durability.

The **Catherine 5000 Pocket Sprung Bed** is the perfect choice for those seeking premium quality with a touch of luxury, all at an exceptional value. Enjoy restful nights and wake up feeling refreshed and rejuvenated every morning.
