COLLECTION 380 - Cara

Bring Halfmoon accents to your space with the Cara collection. Overscale proportions, soft and subtle semi-circle shaping and a fresh light Oak finish will add charm to any room.

The collection has 2 media units, 2 sideboards, and 2 dining tables giving the range flexibility for the customer.

Cara is a simple trend led design, there is something about Art Deco that imbibes elegance and with the Arc handle you get just that.

Whilst being a contemporary piece it pays homage to a bygone era and adds a touch of sophistication to your space. It's also reassuringly heavy with soft-closing doors.

COLLECTION 384 - California

A contemporary interpretation of 1940s French Streamline Moderne, or Style paquebot, our California collection celebrates bold geometric forms and luxe materials.

Signature radius curves interplay with straight lines, all highlighted by the warmth of richly grained Oak.

The Oak has been sandblasted to give the finish a rich texturised depth and while the subtle handleless brass plates add contrast and elegance.

COLLECTION 386 - Travertine

The real travertine collection is simple and elegant. The contemporary silhouette appears almost fluid in nature and organic in finish.

The tops are Honed and sealed for a satin finish with visible pitting that reveals the beauty and character of each piece

All the pieces are handcrafted out of solid travertine and inherent variations in natural travertine color, texture and veining, as well as variance resulting from the hand finishing process, are to be expected and celebrated. No two items will be exactly alike.

As a natural and porous material, travertine can be nicked, stained or scratched; avoid placing sharp or heavy objects on surface.
